Hello Sir,

I'm Hemant Kumar (Emp ID: 156974). I've joined Capgemini on 1st of August 2018 and had my L1 Exam on 25th of October 2018 and I'm on bench thereafter.

Since at present, I'm on bench and have not been tagged to any project, So I think relieving me this early is possible from your end.

And, as per the talk we had, I want to know what are the formalities that needs to be done from my side for my resignation. So I request you to process my application for resignation by the date 7th of December, 2018 or early if possible.

Thank you,  
Hemant Kumar
